TOWN OF AURORA DEPARTMENT OF PARKS & RECREATION
DIRECTOR'S REPORT
MONTH OF: JULY 2014

7D

ADMINISTRATIVE:

Reports:

- We now have 9,010 members registered in the recreation system
- We had 488 individual program registrations in the month of July
- We generated \$15,429 in July in sales
- Credit card purchases totaled 58% (70% on-line, 30% office)
- 2013 to 2014 comparison:
 - Total sales from 1/1/13 – 7/31/13 \$188,208*
 - Total sales from 1/1/14 – 7/31/14 \$185,307

*Sales in 2013 include a one-time grant of \$3,500 for tennis and an art class that was not offered this summer that brought in \$2,000 last year. So the comparison for would be \$182,708 in 2013 to \$185,307 in 2014.

The new Director of Recreation and Aquatics was scheduled to begin on July 28th, but unfortunately he was unable to begin due to a serious, family-health issue. Therefore, a new search has begun. The job is posted on 3 websites for coaches, and we are networking with aquatic professionals throughout WNY, including the UB coaching staff. One coach told me she received 4 emails about the job opening, so the word has definitely spread. To date, we received 7 resumes and conducted 3 interviews. Finalists will be recommended to the Town Board for consideration.

In the interim, we need to hire a coach to begin EAST on September 8. Coach Art Aungst is retired from Orchard Park, and stepped up to assist us till the town position is filled. We are so grateful to have such an amazing coach kick-off the season of EAST. He will also coach for the High School Girls Swim Team, and he will coach the high school team all the way through their season.

The pool continues to challenge us this summer with yet another problem; the hot water heater took its last breath. It was built into the attic of the pool-house office area, and will be more than an easy fix to get it out and re-plumb the new tank. Councilman Charles Snyder is working with Building Inspector Pat Blizniak and Michael Bove to get quotes for a new tank.

The summer staff is doing their best to manage the programs during a rainy and cool summer, and parents have been patient with cancellations and changes in locations. The Boys and Girls Club has been gracious this summer with many tennis classes being held in the gym.

EAST AURORA POLICE DEPARTMENT INTERDEPARTMENTAL CORRESPONDANCE

TO: Supervisor Bach & Town Council
FROM: R. J. Krowka, C.O.P.
DATE: 080614
RE: Monthly Report- July 2014

GENERAL INFORMATION

1. July Events: The 4th of July event (held on the 3rd) again drew large crowds starting with the parade and culminating with the fireworks. Although traffic was congested, parking was at a premium, and the nuisance rain, there were no major issues. There were also no major issues over Reunion Weekend during the Friday night RAAP, the 5k Run & Sidewalk Sale. An extra officer was detailed Friday night due to the large attendance and subsequent spill out into the bars. The only event scheduled for August is the Toytown Classic Car Show on Main St.
2. Personnel:
 - a. K-9 Zando developed some sudden medical issues and passed away on the way to the veterinarian. He will be missed. We will be looking at developing a new K-9 Team in the future. We are vetting officers now to be the new handler.
 - b. With Det. Welch's promotion Kurt Kilburn was appointed as a police officer in late July to fill the vacancy. Kurt will be undergoing the four week Field Training and Evaluation Program before being assigned to a shift.
3. Training: All but two officers attended and received certification in the administering of Narcan. Narcan is designed to reverse the effects of an opiate overdose by injecting the drug through the nasal passages. Each officer is assigned a Narcan kit. The remaining two officers will be certified in August. I attended the NYS Chiefs of Police Conference in mid July. Several issues covering liability and legal matters were the main subjects of the conference.
4. In addition to VBM, TBM and staff meetings also:
 - a. Conducted 7 pistol permit interviews;
 - b. Attended meetings regarding Polofest, and the Taste of EA.
 - c. Held a Dispatchers meeting to discuss personnel issues.
 - d. Met with the Safety Committee to discuss parking on Gleed Ave.
5. Miscellaneous: EAPD was recently notified that a grant application to obtain a Drug Disposal Unit through CVS Drug Stores has been approved. The unit, which will be kept in the PD can be used by residents to dispose of their unwanted OTC's, prescriptions and even pet medications. Should be operational by the end of August. The two new police vehicles should be coming in mid to late August.

ARREST/INVESTIGATIONS

1. In addition to the above officers investigated 22 car crashes, 11 domestic incidents, 2 mental health incident commitments, and 1 suicide. The LPR is out of service for repairs
2. As you may have read in the paper there was an unfortunate personal injury auto accident at the corner of Willow & Main Streets where a 5 YOA child lost control of her bike, slid down the sidewalk handicap ramp, bounced off the rear tires of a passing tandem tractor trailer and struck her head (helmeted) on the curb. The child was flown to Children's Hospital where she was treated. She is expected to make a full recovery. The driver was not charged.
3. There has been a slight uptick in car vandalism and spray painting over the last month. The intent to damage others property appears to be just for the sake of it as usually nothing was taken. Will be monitoring the trend.
