INVESTMENT POLICY

Adopted 03/12/2018 Action #74

TOWN OF AURORA INVESTMENT POLICY

I. SCOPE

This investment policy applies to all moneys and other financial resources available for deposit and investment by the Town of Aurora on its own behalf or on behalf of any other entity or individual.

II. OBJECTIVES

The primary objectives of the local government's investment activities are, in priority order:

- To conform with all applicable federal, state and other legal requirements (legality);
- To adequately safeguard principal (safety);
- To provide sufficient liquidity to meet all operating requirements (liquidity) and
- To obtain a reasonable rate of return (yield).

III. DELEGATION OF AUTHORITY

The governing board's responsibility for administration of the investment program is delegated to the Town Supervisor, who shall establish written procedures for the operation of the investment program consistent with these investment policies. Such procedures shall include internal controls to provide a satisfactory level of accountability based upon records incorporating the description and amounts of investments, the fund(s) for which they are held, the place(s) where kept, and other relevant information, including dates of sale or other dispositions and amounts realized. In addition, the internal control procedures shall describe the responsibilities and levels of authority for key individuals involved in the investment program.

IV. PRUDENCE

All participants in the investment process shall seek to act responsibly as custodians of the public trust and shall avoid any transaction that might impair public confidence in the Town of Aurora to govern effectively.

Investments shall be made with prudence, diligence, skill, judgment and care, under circumstances then prevailing, which knowledgeable and prudent persons acting in like capacity would use, not for speculation, but for investment, considering the safety of the principal as well as the probable income to be derived.

All participants involved in the investment process shall refrain from personal business activity that could conflict with proper execution of the investment program or which could impair their ability to make impartial investment decisions.

V. DIVERSIFICATION

It is the policy of the Town of Aurora to diversify its deposits and investments by financial institution, by investment instrument, and by maturity scheduling.

The governing board shall establish appropriate limits for the amount of investments that can be made with each financial institution or dealer, and shall evaluate this listing at least annually.

VI. INTERNAL CONTROLS

It is the policy of the Town of Aurora for all moneys collected by any officer or employee of the government to transfer those funds to the Town of Aurora within 7 days of deposit, or within the time period specified in law, whichever is shorter.

The Town Supervisor is responsible for establishing and maintaining internal control procedures to provide reasonable, but not absolute, assurance that deposits and investments are safeguarded against loss from unauthorized use or disposition, that transactions are executed in accordance with management's authorization, properly recorded, and managed in compliance with applicable laws and regulations.

VII. DESIGNATION OF DEPOSITARIES

The banks and trust companies that are authorized for the deposit of moneys are as follows:

- JP Morgan Chase Bank
- Bank of America
- Bank of Holland
- Key Bank
- Citizens Bank
- Manufacturers & Traders Trust Company
- Five Star Bank
- TD Bank
- New York Cooperative Liquid Assets Securities System (NYCLASS).

VIII. SECURING DEPOSITS AND INVESTMENTS

All deposits and investments at a bank or trust company, including all demand deposits, certificates of deposit and special time deposits (hereinafter, collectively, "deposits") made by officers of the Town of Aurora that are in excess of the amount insured under the provisions of the Federal Deposit Insurance Act, including pursuant to a Deposit Placement Program in accordance with law, shall be secured by one or more of the following:

1. A pledge of "eligible securities" with an aggregate "market value" (as provided by the GML Section 10) that is at least equal to the aggregate amount of deposits by the officers. See Schedule A of this policy for a listing of "eligible securities."
2. A pledge of a pro rata portion of a pool of eligible securities, having in the aggregate, a market value at least equal to the aggregate amount of deposits from all such officers within the State at the bank or trust company.
3. An "eligible surety bond" payable to the government for an amount at least equal to 100 percent of the aggregate amount of deposits and the agreed-upon interest, if any, executed by an insurance company authorized to do business in New York State, whose claims-paying ability is rated in the highest rating category by at least two nationally recognized statistical rating organizations. The governing board shall approve the terms and conditions of the surety bond.
4. An "eligible letter of credit," payable to the Town of Aurora as security for the payment of 140 percent of the aggregate amount of deposits and the agreed-upon interest, if any. An "eligible letter of credit" shall be an irrevocable letter of credit issued in favor of the Town of Aurora, for a term not to exceed 90 days, by a qualified bank (other than the bank where the secured money is deposited). A qualified bank is either one whose commercial paper and other unsecured short-term debt obligations (or, in the case of a bank which is the principal subsidiary of a holding company, whose holding company's commercial paper and other unsecured short-term debt obligations) are rated in one of the three highest rating categories by at least one nationally recognized statistical rating organization, or one that is in compliance with applicable federal minimum risk-based capital requirements.
5. An "irrevocable letter of credit" issued in favor of the Town of Aurora by a federal home loan bank whose commercial paper and other unsecured short-term debt obligations are rated in the highest rating category by at least one nationally recognized statistical rating organization, as security for the payment of 100 percent of the aggregate amount of deposits and the agreed-upon interest, if any.

IX. COLLATERALIZATION AND SAFEKEEPING

Eligible securities used for collateralizing deposits made by officers of the Town of Aurora shall be held by (the depository or a third party) bank or trust company subject to security and custodial agreements.

The security agreement shall provide that eligible securities (or the pro rata portion of a pool of eligible securities) are being pledged to secure such deposits together with agreed-upon interest, if any, and any costs or expenses arising out of the collection of such deposits upon a default. It shall also provide the conditions under which the securities (or pro rata portion of a pool of eligible securities) held may be sold, presented for payment, substituted or released and the events of default which will enable the local government to exercise its rights against the pledged securities.

In the event that the pledged securities are not registered or inscribed in the name of the Town of Aurora, such securities shall be delivered in a form suitable for transfer or with an assignment in blank to the Town of Aurora or the custodial bank or trust company. Whenever eligible securities delivered to the custodial bank or trust company are transferred by entries on the books of a federal reserve bank or other book-entry system operated by a federally regulated entity without physical delivery of the evidence of the obligations, then the records of the custodial bank or trust company shall be required to show, at all times, the interest of the local government in the securities (or the pro rata portion of a pool of eligible securities) as set forth in the security agreement.

The custodial agreement shall provide that pledged securities (or the pro rata portion of a pool of eligible securities) will be held by the custodial bank or trust company as agent of, and custodian for, the Town of Aurora, will be kept separate and apart from the general assets of the custodial bank or trust company and will not be commingled with or become part of the backing of any other deposit or other bank liability. The agreement shall also describe how the custodian shall confirm the receipt, substitution or release of the collateral and it shall provide for the frequency of revaluation of collateral by the custodial bank or trust company and for the substitution of collateral when a change in the rating of a security causes ineligibility. The security and custodial agreements shall also include all other provisions necessary to provide the Town of Aurora with a perfected security interest in the eligible securities and to otherwise secure the local government's interest in the collateral, and may contain other provisions that the governing board deems necessary.

Time deposit accounts and certificates of deposit shall be payable within such times as the proceeds will be needed to meet expenditures for which the moneys were obtained, and shall be secured as provided in Sections VIII and IX herein.

Except as may otherwise be provided in a contract with bondholders or noteholders, any moneys of the Town of Aurora authorized to be invested may be commingled for investment purposes, provided that any investment of commingled moneys shall be payable or redeemable at the option of the Town of Aurora within such time as the proceeds shall be needed to meet expenditures for which such moneys were obtained, or as otherwise specifically provided in General Municipal Law Section 11. The separate identity of the sources of these funds shall be maintained at all times and income received shall be credited on a pro rata basis to the fund or account from which the moneys were invested.

Any obligation that provides for the adjustment of its interest rate on set dates is deemed to be payable or redeemable on the date on which the principal amount can be recovered through demand by the holder.

XI. AUTHORIZED FINANCIAL INSTITUTIONS AND DEALERS

All financial institutions and dealers with which the Town of Aurora transacts business shall be creditworthy, and have an appropriate level of experience, capitalization, size and other factors that make the financial institution or the dealer capable and qualified to transact business with the Town of Aurora. The Town Supervisor shall evaluate the financial position and maintain a listing of proposed depositaries, trading partners, and custodians. Recent Reports of Condition and Income (call reports) shall be obtained for proposed banks, and security dealers that are not affiliated with a bank shall be required to be classified as reporting dealers affiliated with the New York Federal Reserve Bank, as primary dealers.

The Town of Aurora shall maintain a list of financial institutions and dealers approved for investment purposes and establish appropriate limits to the amounts of investments that can be made with each financial institution or dealer.

XII. PURCHASE OF INVESTMENTS

The Town Supervisor is authorized to contract for the purchase of investments:

1. Directly, from an authorized trading partner
2. By participation in a cooperative investment agreement with other authorized municipal corporations pursuant to Article 5-G of the General Municipal Law and in accordance with Article 3-A of the General Municipal Law.

All purchased obligations, unless registered or inscribed in the name of the local government, shall be purchased through, delivered to and held in the custody of a bank or trust company. Such obligations shall be purchased, sold or presented for redemption or payment by such bank or trust company only in accordance with prior written authorization from the officer authorized to make the investment. All such transactions shall be confirmed in writing to the Town of Aurora by the bank or trust company.

Any obligation held in the custody of a bank or trust company shall be held pursuant to a written custodial agreement as described in General Municipal Law Section 10(3)(a). The agreement shall provide that securities held by the bank or trust company, as agent of, and custodian for, the Town of Aurora, will be kept separate and apart from the general assets of the custodial bank or trust company and will not be commingled with or become part of the backing of any other deposit or other bank liability. The agreement shall also describe how the custodian shall confirm the receipt and release of the securities. Such agreement shall include all provisions necessary to secure the local government's perfected interest in the securities, and the agreement may also contain other provisions that the governing board deems necessary. The security and custodial agreements shall also include all other provisions necessary to provide the Town of Aurora with a perfected interest in the securities.

The Town Supervisor, where authorized, can direct the bank or trust company to register and hold the evidences of investments in the name of its nominee, or may deposit or authorize the bank or trust company to deposit, or arrange for the deposit of any such evidences of investments with a federal reserve bank or other book-entry transfer system operated by a federally regulated entity. The records of the bank or trust company shall show, at all times, the ownership of such evidences of investments, and they shall be, when held in the possession of the bank or trust company, at all times, kept separate from the assets of the bank or trust company. All evidences of investments delivered to a bank or trust company shall be held by the bank or trust company pursuant to a written custodial agreement as set forth in General Municipal Law Section 10(3)(a), and as described earlier in this section. When any such evidences of investments are so registered in the name of a nominee, the bank or trust company shall be absolutely liable for any loss occasioned by the acts of such nominee with respect to such evidences of investments.

The Town of Aurora may agree with the depository bank or trust company that the bank or trust company will reimburse all or part of, but not more than, the actual cost incurred by the Town of

Aurora in transporting items for deposit through a courier service. Any such reimbursement agreement shall apply only to a specified deposit transaction, and may be subject to such terms, conditions and limitations as the bank or trust company deems necessary to ensure sound banking practices, including, but not limited to, any terms, conditions or limitations that may be required by the Department of Financial Services or other federal or State authority.

**TOWN OF AURORA
PROCUREMENT POLICY**

WHEREAS, Section 104-b of the General Municipal Law requires every town to adopt internal policies and procedures governing all procurement of goods and services not subject to the bidding requirements of the General Municipal Law, Section 103 or any other law, and

WHEREAS, comments have been solicited from those officers of the Town involved with procurement:

NOW, THEREFORE, be it

RESOLVED, that the Town of Aurora does hereby adopt the following procurement policies and procedures:

PURPOSE

Goods and services which are not required by law to be procured pursuant to competitive bidding must be procured in a manner so as to assure the prudent and economical use of public moneys, in the best interests of the taxpayers, to facilitate the acquisition of goods and services of maximum quality at the lowest possible cost under the circumstances, and to guard against favoritism, improvidence, extravagance, fraud and corruption. To further these objectives, the Town Board is adopting internal policies and procedures governing all procurement of goods and services which are not require to be made pursuant to the competitive bidding requirements of General Municipal Law, Section 103, or of any other general, special or local law.

PROCEDURE FOR DETERMINING BIDDING AND PROCUREMENT POLICY

Guideline 1. Every prospective purchase of goods or service shall be evaluated to determine the applicability of General Municipal Law Section 103. Every Town officer, board, department head or other personnel with the requisite purchasing authority (hereinafter called Purchaser) shall, if appropriate, estimate the cumulative amount of the items of supply or equipment needed in a given fiscal year. The information gathered and conclusions reached shall be documented and kept with the file or other documentation supporting the purchase activity.

Guideline 2. All purchases and public works requests (RFQ's) for bids or quotes of \$3,000.00 or more, but less than \$20,000.00, may be solicited by the Purchaser without having prior Town Board approval. The purchase of goods or services as a result of these RFQ's shall require Town Board approval and authorization prior to the Purchaser procuring the goods or services.

Guideline 3. All purchases of (a) supplies or equipment from a single individual or entity which will equal or exceed \$20,000 in the fiscal year or (b) public works contract equal to or over \$35,000 shall be formally bid pursuant to General Municipal Law Section 103.

Guideline 4 – 1. Purchases in the amounts as follows:

A. Under \$1,000 – At the discretion of the Purchaser, provided expense is shown within current year budget allocations(s) and supported by written invoices and signed vouchers. Documented quotes are not required.

B. \$1,000 up to \$3,499 – Requires two (2) documented verbal quotes.

C. \$3,500 up to \$19,999 – Requires written request for a quote (RFQ) and written/faxed quotes from at least three (3) vendors must be provided.

Guideline 4 – 2. Public Works in the amounts as follows:

A. Under \$1,000 – At the discretion of the Purchaser, provided expense is shown within the current year budget allocation(s) and supported by written invoices and signed vouchers. Documented quotes are not required.

B. \$1,000 up to \$3,499 – Requires two (2) documented verbal quotes.

C. \$3,500 up to \$34,999 – Requires written request for quote (RFQ) and written/faxed quotes from at least three (3) contractors/vendors must be provided.

All information gathered in complying with the procedures of this Guideline shall be preserved and filed with the documentation supporting the subsequent purchase or public works contract.

Guideline 5. The lowest responsible proposal or quote shall be awarded the purchase or public works contract unless the Purchaser prepares written justification providing reasons why

it is in the best interest of the Town and its taxpayers to make an award to other than the low bidder. If a bidder is not deemed responsible, facts supporting that judgment shall also be documented and filed with the record supporting the procurement. If prices bid or proposed in a quote or response to an RFP are not materially different the Town reserves the right to award any applicable contract to an individual or business residing or located within the Town.

Guideline 6. A good faith effort shall be made to obtain the required number of proposals or quotations. If the Purchaser is unable to obtain the required number of proposals or quotations, the Purchaser shall document the attempt made at obtaining the proposals. In no event shall the inability to obtain the proposals or quotes be a bar to the procurement.

Guideline 7. Sets forth the exceptions to the requirements of the Procurement Policy. Except when directed by the Town Board, no solicitation of written proposals or quotations shall be required under the following circumstances:

- a) Acquisition of professional services;
- b) Emergencies;
- c) Sole source situations;
- d) Goods purchased from agencies for the blind or severely handicapped;
- e) Goods purchased from correctional facilities;
- f) Goods purchased from another governmental agency;
- g) Goods purchased at auctions;
- h) Computer software;
- i) Purchases pursuant to state or county bid.

Under the above exceptions, any such purchase or public works contract shall be forwarded to the Town Board for approval and be described and documented as to the reason for its exception from these guidelines and procedures.

Guideline 8. This policy shall be deemed renewed annually by the Board at its organizational meeting unless otherwise determined by the Board.

Guideline 9. Any unintentional failure to fully comply with the provisions of General Municipal Law Section 104-b or the Town Board's policies and procedures shall not be grounds to void any action taken or given rise to a cause of action against the Town or any officer or employee thereof.

Purchase contracts involve the acquisition of commodities (Material, Supplies or equipment)

Public works contracts involve services, labor, or construction.

Contracts that involve both goods and services.

If a contract involves a substantial amount of services and the acquisition of commodities is only

incidental to the work, it should be considered a contract for public work. If the services or labor are minor or incidental to the acquisition of goods, it should be considered a purchase contract.
