FROM: R. J. Krowka, C.O.P.
DATE: August 10, 2015
RE: Monthly Report- July 2015

GENERAL INFORMATION

1. There was an increase in criminal activity this month with some leading to arrests. However, there were no specific patterns or types of crimes, as most incidents led to a wide array of offenses. In addition there were the usual special community events that EAPD helped coordinate in terms of public safety and traffic control. The July 4th (3rd) event was again successful. This appeared to be the largest spectator crowd I have seen in a while. In addition to the July 4th event other successful events that occurred this month was the annual Sidewalk Sale and Polofest. The annual 5K Rerun Race was not run this year, however, it was replaced by a smaller, more informal Hump Day run around Hamlin Park.
2. Personnel: Lt. Greg Cook retired at the end of July after 20 years of service. We all wish Greg good luck with his future endeavors. Subsequently interviews for both a police officer and Lieutenant were conducted to fill pending vacancies. Det. Patrick Welch will fill the vacancy left by Lt. Cook effective the middle of August. In addition Matthew Albanese, an Ellicottville Police Officer was selected to fill the vacant police officer position. He will start August 3rd. Congratulations to Det. Welch and welcome aboard PO Albanese. Also PO Cartwright, injured in an off duty motorcycle accident, is healing well and hopefully will be back by the end of August.
3. Training: Due to the strain on manpower issues with retirements, vacations, injuries and hiring there were no training classes scheduled.
4. Meetings: In addition to VBM, TBM and staff meetings attended the following:
 - a. Conducted Pistol Permit interviews;
 - b. Conducted interviews for upcoming Lieutenant promotion;
5. Misc.
