

November 10, 2017

To the Residents of:  
Area surrounding pump station on Castle Hill  
Rd.  
Aurora, NY 14052

**Attn: All Residents**

Dear Residents,

We are under contract with the Town of Aurora to update pumping station on Castle Hill Rd.

We will be shutting down the water on the surrounding streets around pump station, November 14, 2017 at 9:00 am for approximately 4 hours.

Should any resident have special needs or require assistance, please see our contact list below.

We thank you in advance for your cooperation.

Sincerely,  
DJM Contracting, Inc.
