TOWN OF AURORA DEPARTMENT OF PARKS & RECREATION
DIRECTOR'S REPORT
MONTH OF: SEPTEMBER 2015

ADMINISTRATIVE:

Reports:

- We had 243 individual program registrations in the month of September
- We generated \$24,328 in September sales
- Credit card purchases totaled 92% (90% on-line, 10% office)
 - 2014 to 2015 comparison:
 - Total sales from 1/1/14 – 8/31/14 \$226,885
 - Total sales from 1/1/15 – 9/30/15 \$212,170

Our September program sales are \$3,000 higher than last September with many of our fall programs are underway. Pickle ball continues to be a great success with 90% of our classes completely full.

Our aquatics programs that are held at the middle school have been delayed until October. This is due to the renovations taking place there. On a high note, we will have swim lessons up for the first time in 3 years. Registrations have just opened.

EAST is doing very well this year with a higher number of swimmers in the water. Due to the increase of swimmers we have added volunteer high school aged coaches to our lowest level, the White Group. This has increased our coach to swimmer ratio to a fantastic 1:4.

Re: Monthly Report – September 2015

General Information

1. As the first month of my new position ended, I've found that there is no shortage of tasks to do. The blur that was September was a great start at learning what the position entails.
2. With schools back in session, we have been concentrating on any issues with buses loading and unloading kids (complaints of vehicles passing stopped buses, etc.) as well as the foot traffic to and from the schools.
3. We connected with NYSP Commercial Vehicle Enforcement and had Troopers who are D.O.T. inspection certified work with our Department for an 8 hour shift. Our Officer would find commercial vehicles (ie. Truck and trailer combinations like lawn care companies or tractor trailers and dump trucks) and bring them to a parking lot for the Troopers to inspect. Numerous violations were found, with tickets issued and one vehicle was taken out of service and towed.
4. Meetings Attended:
 - Erie County Police Chiefs Assoc.
 - WNY Assoc. of Police Chiefs
 - Village Board meetings
 - Town Board Meetings
5. Training attended
 - Emergency Response Symposium (2 days)
6. Special Events:
 - Food Trucks & Fire Trucks

East Aurora / Town of Aurora Police Department Interdepartmental Correspondence

- Taste of East Aurora
 - Bosom Buddy Walk
7. Had several meetings with citizens regarding various complaints or issues throughout the community. Many from parents and EAHS officials pertaining to an underage drinking party that was brought to the department's attention because individuals from the party were damaging a fence of a nearby residence.
 8. We have been exploring ways on how to improve radio transmissions which have been historically poor in the south/west (West Falls) corner of the town. Erie County Emergency Services are in the process of installing a 200' radio tower on the Erie County Highway Dept. property on Ellicott Rd. They would allow us space on the tower to install equipment which would cover that corner of the town, which would remedy our radio problems. If everything falls into place the time frame for the tower being erected and ready for equipment to be installed will be around the beginning of November.
