**Re:** Liz Code School

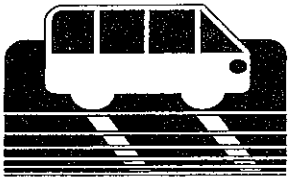

I would like Elizabeth Cassidy to attend the six Basic Code courses offered at no cost by the State. The first three courses begin October 11-13, 2016, Nov. 29-Dec.1, and Dec. 19-21. They will be held at the fire training center in Cheektowaga. I understand there will be no reimbursement of mileage because this is a voluntary accreditation. The reason I am strongly recommending this is:

- Code Enforcement Officer Bill Kramer is contemplating retirement next year.
- I will be retiring in 20 months, (May 2018).
- Liz has a very strong desire to enter this field to further her career.
- This is a logical progression in the Building Department with her acquired understanding of our Department being a solid foothold to the next level.
- I believe she has the personality, patience and knowledge necessary for this job title.
- As a Town resident, not to mention her capacity as our office manager, she has a feel for the wants and needs of our constituents and has proven herself accordingly.
