Re: Gleed shed

The existing shed (behind Gleed warehouse) that houses our snow blower, gasoline, weed eaters, garden tools and miscellaneous items inappropriate for warehouse storage (Due to cost of ramp), is in disrepair and unsecure. I received four quotes that included delivery and setup. The following are the quotes I received and my recommendation for the purchase of a 10 X 12 shed goes to Heritage structures at the low bid price of \$1999.00. If this meets your approval, the placement on the 20th of August Town Board work session would be appreciated.

Doug,

I assume this is materials only. Do you have someone to erect also and how much?

To: Town Board Members

I respectfully request that the Town Board approve taking \$2,500 out of Contingent Account A 1990 and putting it into part time dog control A 3510.101. Part time dog control was budgeted for \$7,000 in 2012. In 2013 the amount was reduced to \$5,000. We have already reached that amount this year and there is not going to be enough money to pay our part time Doc Control Officer for the rest of the year. The good news is that revenue has been stronger than anticipated this year and it should offset this amount. We believe this will allow us to continue Dog Control services after hours for the rest of the year.
