Dear Mr. Smith:

As we discussed, the Authority would be willing to perform the necessary piping modifications at the referenced tank if requested by the Town of Aurora. The estimated cost of this improvement is \$19,000.00. The Authority will bill the Town for the actual installed cost of the improvement.

Please contact me if you have any questions.

Dear Mr. Smith:

In order for the Townline Tank to be drained and inspected the Town of Aurora would have to make modifications to the piping indicated in red on the enclosed plan.

The inspection is planned for the spring of 2014. Please contact me if you have any questions.

Sincerely yours,
