Town Supervisor Lifts Ban on Open Burning in Aurora

SEPTEMBER 15, 2016—Aurora Town Supervisor James J. Bach today lifted the ban on open burning that had been in effect in the Town of Aurora since Aug. 9. In consultation with local fire chiefs and the police department, the Town Supervisor had used his authority under state law to prohibit open burning due to the severe drought conditions in the region. With recent rain and cooler temperatures, Bach lifted the ban today after consulting with local fire chiefs.

For more information, please call the Town Supervisor's Office at 716-652-7590.
