(East Aurora, NY) – Erie County Legislator Joseph C. Lorigo will host a District Outreach Meeting at 6 p.m. Thursday, June 29 at Aurora Town Hall, Southside Municipal Center, 300 Gleed Ave., East Aurora to meet with residents and discuss county issues and concerns.

“District outreach meetings are a good opportunity to meet directly with residents to discuss county issues, as well as share information about county programs and services offered by various departments. I encourage residents with questions or concerns to stop by so we can discuss them one-on-one,” said Legislator Lorigo.

Information about 2017 road and bridge projects, Senior Services, Social Services, Veteran Affairs, the County Clerk’s Office and other County departments will be available. Notary services are also offered, free of charge.
