East Aurora / Town of Aurora Police Department Interdepartmental Correspondence

To: Mayor Kasprzak & Village Board; Supervisor Bach & Town Board

From: Shane Krieger, Chief of Police

Date: 03122018

Re: Monthly Report - February 2018

General Information

- A full-time dispatcher was on sick leave for several weeks including all of February due to having surgery. Most of the shifts were filled by part-time dispatchers.
- EAPD's budget was completed and submitted for 2018-19.
- Officer Kawalerski's field training program is progressing well.
- With the upcoming Raise the Age law beginning in October 2018, the department
 will need more space to comply with state law when dealing/detaining individuals
 16 and under this year and both 16 and 17 year old youths next October. 16 and 17
 year olds currently can be held as adults when arrested or interviewed, the new law
 will treat them as juveniles, who cannot be held where adults are held.

Training:

- o Department Winter Range Training @ Wolcott Guns
- o Perma test: Remember Complacency Kills
- o Manual Test: Mobile Data Terminal policy

Meetings:

In addition to Village Board, Town Board and Staff meetings I also attended the following:

- o Field Training Officer meeting
- o Six Pistol Permit Interviews
- o Demo of car and body camera system by Axon
- o Erie County Chiefs of Police meeting
- o Interview w/ EA Advertiser re: Vaping
- o RR Bridge painting meeting
- Meeting w/ Town Judges re: Court move
- o Attended Ignition Interlock Device Stop DWI meeting

Arrests / Investigations

- Besides the arrests and reported crimes in the above chart, Officers also investigated the following:
 - Residents are still receiving the "Grandparent Scam" phone calls. The
 subjects are calling people until they make contact with older sounding
 residents and state that they are their grandchild and need money for either
 bail or a car accident. They continue to tell the resident to go and by gift
 cards.
 - o Two unattended deaths
 - o A drug over dose. Narcan administered and subject transported to hospital.
